From the Collector of South Kanara D.Dis. 6711/46 dated 28-8-46.

Sub: Land Acquisition - Udipi taluk - Padu village - D.No. 76/10B For the Kaup Lighthouse - Proposal - Adquate provision of funds-requested.

Ref: B.F. Rt. 3531 dated 5-7-46.

S.No. 76/10B measuring 51 cents of Padu village Udipi Taluk proposed to be acquired for the Kaup Lighthouse is private land registered as dry in the revenue Accounts. The Revenue Divisional Officer, Coondapur reports that the plot comprises a valuable price of land fit for raising coconut plantation and that similar lands in the vicinity were sold recently at Rs 900/- per acre. Basing his valuation on this sale he estimates the cost excluding the improvements carried out by the Lighthouse Department and including the 15% solatium at Rs 578/- or Rs 600/- in round sum.. He also reports that before instituing Land Acquisition proceedings in this case sufficient funds may be provided for by the Government of India who have said that the land may be acquired at a cost not exceeding Rs 70/- I agree with him and accordingly suggest that the Government of India may be requested to sanction adequate funds for the acquisition of the plot. Land Acquisition proceedings will be reopened as soon as the decision of Government of India in the matter is known.

Board's Ref E. 9416/46 dated 14-9-46 and Coondapur Revenue Divisional Officer's D.Dis 9076-46 dated 3-10-1946.

S.No 76/10B measuring 51 cents of Padu village, Udipi taluk proposed for acquisition in this office D.Dis 6711/46 dated 28-8-46 and S.No 76/10A of the village as reported in this office D.Dis 6304-46 dated 1.9.46 are indentical plots. The discrepancy in the area of one cent is due to an error in the actual computation of the area which can be set right only after actual check measurement of plot by the Taluk Surveyor.

2

2. The low valuation of the plot in the first instance was due to the then Revenue Inspector's failure to take into consideration the adaptability of the land for raising Coconut gardens. The cost of acquisition at Rs 900/- per acre proposed is calculated on reliable data-namely the sale of similar land in the vicinity. The valuation of Rs 900/- peracre reported in this office D.Dis 6711/46 dated 28-8-46 has therefore to be taken as the correct valuation.

& Enclosures.

In the Revenue Board's letter dated 12 P.W. 5.6.1946 at (T)
repated that S. No. 76/10B occupied by the Lighthouse
Keeper in the Kaup Lighthouse in Udupi Taluk was a
private land registered in the name of Naga Brahma
Dev. temple which had been paying the assessment
on it all along and that the trustee of the temple
claimed that patni on behalf of the institution and in
alternative requested to be paid a reasonable compen-
sation for it. The Board then reported that the
value of the land in question was estimated at Rs. 70/-
and requested that the Govt. of India might be
addressed in accordance with their sanction for the acquisition
of the land. The Govt. of India were accordingly
addressed and they agreed to the acquisition of the
land at a cost not exceeding Rs. 70/- as the Board of
Revenue which was required to take necessary action
requested that the Govt. of India might be
addressed for the payment of the market value of
land viz Rs. 600/- and the provision of adequate
funds for Land Acquisition Proceedings.

2. The low valuation of the plot in the first
instance at Rs. 70/- is said to be due to the then
Revenue Inspector's failure to take into consideration
the adaptability of the land for raising Coconut
gardens. The data for arriving at a figure of Rs. 70/-
is given in para 2 sup. 2 C.F. of G.O. No. 1572 P.W. dated
5.6.1946. The value of Rs. 600/- now reported is based on the
sale value of similar lands in the vicinity viz. Rs. 900/- per acre
excluding the value of the improvements carried out by the Lighthouse
Department and including the 15% solatium.

It is not known how much amount will be required at this accent the Board may perhaps be consulted on this point. Subject to orders a draft on the Board of Rev. is submitted for approval.
